

# Donation Guide

Donation Intake time frames are 9:00 AM until 2:00 PM every day we are open (Tuesday to Saturday) in rear of building.

Once a donation exits a donor's vehicle in our parking lot, it becomes the property of Clothes Less Traveled. We never trade or give away donations to volunteers or staff members. However, there are times when donors will mistakenly give us an item. In this instance we ask for a detailed description of the donation and do our best to recover it if it has not yet been sold. This is the only instance in which Clothes Less Traveled property may leave the building without a receipt.

## Example Items We Can Accept:

**Clothing** in good condition, clean, no smell

**Accessories** (Jewelry, purses, shoes, hats)

**Appliances** working with power cords (Blenders, microwaves, toasters)
